

# EMPOWERING EXCELLENCE IN CONTRACT MANAGEMENT

Your organization's success depends on staying ahead in the fast-evolving world of contract management. With an organizational subscription to the National Contract Management Association (NCMA), you'll gain the tools, knowledge, and connections to drive success for your team.

## KEY BENEFITS

### Professional Development Opportunities

Empower your team with access to NCMA's top-tier training, certifications, and professional resources. An organizational subscription provides:

- Discounts on training and certifications.
- Access to CMS™ and CMBOK®.
- Participation in exclusive workshops and webinars.

### Networking and Collaboration

Build valuable connections across the industry:

- Participation in NCMA events.
- Leadership development opportunities.
- Access to a global network.

### Teamwide Access to Resources

Ensure your employees are equipped with the latest insights and tools:

- Subscriptions to Contract Management Magazine.
- Access to research and publications.
- Member-only content and resources.

### Cost Savings and Group Discounts

Maximize your training and development budget:

- Reduced rates on events and resources.
- Discounts on bulk certifications.
- Savings on group learning solutions.

**INVEST IN YOUR ORGANIZATION'S FUTURE WITH NCMA.**

NCMA is the premier association for contract management professionals, offering unmatched expertise, tools, and a robust network to elevate your organization's capabilities. With an organizational subscription, you'll align your team with industry standards and set them up for long-term success.
